Acadience Export

Modified on Fri, Nov 10, 2023 at 11:13 AM

Acadience Export

Overview

This task exports data for Acadience. It will create up to seven csv files: Manifest, Schools, Classes, Students, Staff, Student Enrollments and Staff Enrollments.

Options

The export can be configured to save locally, be sent in an email, or have the files sent to another machine using (S)FTP.

Individual files can be selected to be included.

Individual schools can be selected to be included.
